About Indian Institute of Management Rohtak

Indian Institute of Management Rohtak is the 8th IIM established by the Ministry of HRD, Government of India. It is located within the National Capital Region (NCR) of India, at the periphery of Rohtak city (towards Delhi), and is 70 km from the international airport of Delhi. Its permanent 200-acre area campus is located in the Sunarian locality of Rohtak beside the Delhi-Bhiwani NH10 Bypass. Being the only IIM within the NCR, IIM Rohtak has a special responsibility to strive to become a benchmark for higher education standards in India in the future. Commensurate with this responsibility, IIM Rohtak has the vision to be a global leader. Realizing the Institute's vision requires, among other things, providing world-class education in management not only through full-time and regular programmes with a focus on Indian students but also through executive management programmes specially designed for working professionals and programmes suited to participants from abroad.
