

## E-Resources

The KRC subscribes to a number of academic, company & industry databases, bibliographic databases, e-journals and newspapers to provide latest Scholarly information to authorised users (current faculty, students and staff and, in most cases, on-site visiting faculties).

Electronic resources listed on the KRC website are restricted by License Agreements to members of the IIM Rohtak community for the purpose of research, teaching, and private study. Commercial use, systematic downloading (by robots, spiders, crawlers or other automatic processes), copying or distributing of information and disclosing the user id and password are prohibited. The terms and conditions for using these resources are set out in electronic resource license agreements with each publisher. The users are requested to strictly comply with the terms and conditions, copyright and other policies for the use of resources. Users are requested to go through the Terms & Conditions/Terms of Use/Usage Agreement generally available at the bottom of the webpages of each E-Resource.

Most of the e-resources are accessible through IP, while some require log-in ID and password.
